Miami, FL 33155

Dear Messrs. Candela and Worth:

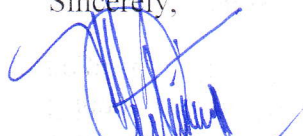

The Latin Chamber of Commerce of U.S.A. (CAMACOL), supports the Friends of Marine Stadium in your efforts to help renovate the long-neglected Miami Marine Stadium.

Since the 1960s the Miami Marine Stadium was known as a unique attraction in South Florida and the country. The South Florida community benefitted from the economic impact of national sport events, cultural presentations, etc.

We believe the successful renovation of this historic landmark will again benefit the community at large by created jobs, increased tourism, increased economic opportunities and contribute to community cohesiveness.

We wish you every success in your efforts to restore this landmark to its original splendor.

Sincerely,

Mario O. Gutierrez  
President  
CAMACOL
