Re: Miami Dade Delegation Support of Marine Stadium

Dear Chairman Sarnoff:

We write to you today in our capacities as the Chairman and Vice-Chairman of the Miami-Dade Legislative Delegation. We understand that you have an item before you on Thursday, July 11th confirming and approving the site plan needed to generate sufficient revenue for the viable operation and maintenance of the Miami Marine Stadium in accordance with the Memorandum of Understanding dated May 15, 2012 by and between the City of Miami, The Miami Sports and Exhibit Authority and the Friends of the Marine Stadium. The approval of this resolution will empower the Friends of the Marine Stadium to raise the money necessary by private means for the upgrading and updating of that landmark site which we all value so much.

The Marine Stadium site has invaluable historic and cultural significance for our community including the recent designation as a National Treasure by the National Trust for Historic Preservation, the first for a Cuban-born architect in America. It hosted many world class events from powerboat races to boxing matches to legendary concerts by the likes of Jimmy Buffet, Bonnie Raitt, Queen, and Ray Charles. The Marine Stadium was also used for annual multi-denominational Easter sunrise services and flotillas for "La Virgen de la Caridad del Cobre" (The Virgin of Charity), the patroness of Cuba and protector of mariners. We sincerely hope that you decide to support this project so that our community's legacy can be preserved for
