

To: Miami Marines:

We continue to be very, very busy as we ramp up our efforts on the Marine Stadium.

1000 MARINES

Our email list is now over 1,000 people and growing rapidly. October has been our highest month for web traffic by far. Do you know anyone interested in joining our email list? Tell them to go to our website and sign up!

PRESS, PRESS, PRESS

The twin endorsements of Jimmy Buffett and the World Monuments Fund Watch List have been a big springboard for our efforts. We're getting lots and lots of press. Below are several good examples.

Associated Press

Copy and paste the link below into your browser to see a story by Tamara Lush of the Associated Press that went out over the wire. It was picked up by major newspapers and news outlets all over the country.
