Dear Sir/Madam:

The Black Point Yacht Club strongly supports the efforts to restore and bring back to life Miami Marine Stadium. Many of our members attended events at the Stadium and remember it as part of the best of Miami. There is nothing like it anywhere.

The revival of the Stadium would be an enormous benefit to the boating community of South Florida. We are pleased to be part of the movement to bring back the Stadium and our members look forward to its re-opening.

Very truly yours,

BLACK POINT YACHT AND  
SAILING CLUB
