Friends of Miami Marine Stadium
Don Worth
492 Hewins Street
Sheffield, MA 01257

Dear Mr. Worth:

The American Boat Racing Association fully supports the Friends of Miami Marine Stadium in their endeavor to preserve the Miami Marine Stadium. The Miami Marine Stadium is an important part of Unlimited Hydroplane History. The fastest race boats in the world had raced in Miami for more than 20 years in front of thousands of fans. Unlimited Hydroplane Racing is still a possibility for the Miami Marine Stadium and we would love the opportunity to return to this site.

Sincerely,

Taryn Baze
American Boat Racing Association
